SUMMARY

Second-year Information Technology student at the University of Technology (UTech) who is hardworking, adaptable, and eager to learn. Actively seeking an opportunity—IT-related or otherwise—where I can apply my skills, gain valuable experience, and contribute to the success of a professional and growth-oriented organisation.

WORK EXPERIENCE

IT Intern — Scan Box Limited

July 7 – August 29, 2025

Completed a summer internship at Scan Box Limited, gaining hands-on exposure to IT operations within a professional environment. Applied academic knowledge in computing and networking to real-world tasks while developing practical workplace skills.

PERSONAL ATTRIBUTES

Critical Thinking: Able to analyse situations, identify problems, and develop effective solutions using logical reasoning and sound judgement.

Communication Skills: Strong verbal and written communication skills with the ability to adapt style based on audience—whether collaborating with team members or engaging with customers.

Honest and Reliable: Guided by strong morals and ethics; dependable and responsible when carrying out tasks or working independently.

Flexible and Adaptable: Comfortable working in dynamic environments; able to adjust quickly to changing priorities and last-minute demands while maintaining productivity and focus.
